RENEWED PETITION UNDER 37 CFR § 1.181(a)
TO WITHDRAW HOLDING OF ABANDONMENT

SIR:

This is in response to the Decision dated January 24, 2007. The Office denied the petition for failure to include a statement on personal knowledge as to the previous timely submission. Such a statement is submitted herewith.

Per Notice of Abandonment dated July 24, 2006, the above-identified application is held abandoned for failure to timely respond to the Notice of Missing Requirements dated September 1, 2005. The previous petition was being filed within two (2) months of said Notice of Abandonment, and the present renewed petition is filed within two (2) months of the Decision.

months of the Decision.

The holding is in error as the Response to Missing Requirements was filed with the Office on September 28, 2005. Copies of the papers as filed, including the Declaration, and the facsimile confirmation, are enclosed. Also enclosed is a statement on personal knowledge regarding the previous timely submission. In addition, a copy of the undersigned's Deposit Account statement for September 2005 and October 2005 is enclosed, showing that the \$65 fee for late submission of the Declaration was not charged by the Office. Therefore, Applicants respectfully request that the Commissioner exercise his authority and withdraw the holding of abandonment, acknowledge that the Declaration has been filed.

It is authorized that the Commissioner charge the \$65 fee for late submission of the declaration that is due to Deposit Account No. 14-1263.

CONDITIONAL PETITION TO REVIVE

If the above request for withdrawal of abandonment is denied, then the undersigned hereby files a petition to revive under 37 CFR 1.155(c) and 1.1316(c).

The entire delay in filing the required reply from the due date of the required reply until the filing of a grantable petition was unintentional.

If the petition to withdraw the holding of abandonment is not granted, and the conditional petition is necessary, please charge the required petition fee to deposit account no. 14-1263.

Although applicant has already filed the Declaration, this document is again submitted and this present response is to be considered as the Response to Notice of Missing Requirements. The \$65 fee is authorized to be charged as set forth above and any further required fees are to be charged to the above deposit account.

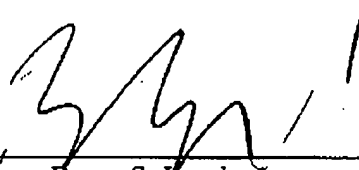

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punished by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Early and favorable action is earnestly solicited.

Respectfully submitted,

NORRIS McLAUGHLIN & MARCUS
